*"Helping
MOTIVATED Workers
become
EXCEPTONAL employees."*

ASSESSMENT:

**COMMUNITY BASED
WORK EVALUATION**

Orchard Ridge – The Grove

Benefits to Businesses

- Supplemental labor at **no cost** to you. (Training Stipend, Worker's Comp, & Liability insurance are paid by Common-Sense Solutions, LLC)
- Using process standards and expectations that you define, on-site CSS specialists or coaches provide vocational support services to workers.
- There is no expectation or requirement to hire, yet often great job matches occur when you get to observe how well the worker is doing.

"It's an amazing experience to give someone the opportunity to find success while contributing to our team".

~Brian Cravena, General Manager, N40 Outfitters.

Common-Sense Solutions, LLC would love to add your business to this list.

Community Based Work Evaluations are funded by **Idaho Department of Vocational Rehabilitation**. For more information, call IDVR at (208) 769-1441.

Benefits to Workers

Community Based Work Evaluations are designed for people with limited work experience or who want to explore a new type of work.

- Paid Training Stipend of \$10 per hour.
- Opportunity to try different types of work to find a good job match.
- Gain training and work experience that will be helpful in any job you have.

CSS staff will be on-site to provide you Vocational Support Services and help you understand your current work readiness.
